

Wichita Technical Institute (W.T.I) is governed by the Accrediting Commission of Career Schools and Colleges (ACCSC).

Graduation rates have been compiled from the ACCSC accreditation reports files 2010.

Graduation rates reflect students who started and completed their training within 150% of program length. The start date range for those students is shown below with their corresponding program. Further information regarding the ACCSC standards can be found at: www.accsc.org
